COVER PAINTING

The Standard Times roving photographer photographed a Presto Press cover in the making at Point Connett this past week. The oil painting of Angelica Point, which appeared on the easel in the Sunday edition of the daily paper, we have reproduced on our cover this week in its completed form. The original is a pallet knife rendition and of course is an oil in full color. The size is 16 x 20 in. We will have the original on display at the Presto office on Barstow Street on Thursday, Friday and Saturday for anyone who cares to drop in and see it. The Presto is in the same building as Jason's Card Shop, in the rear. You are very welcome to visit us.

MASSACHUSETTS CLUB GATHERS AT NED'S POINT

Members of the Model A Restorers Club of Massachusetts gathered in force to help Acushnet celebrate its centennial. Approximately 40 restored cars appeared in the parade

ing breeze and view of the harbor. Thanks to Art Smith of Tobey Lane, Mattapoisett, who is a member of the club, we were able to photograph some of the cars at Ned's Point. These Model A's are beautifully restored and the engines sound like new. Some of the club members spent as many as three years of their spare time in the process of rebuilding, refinishing and tuning up of their cars. The Model A proves that the compact car is not a new inovation, and a good many people share fond

FLOAT ENTERED IN PARADE

Much credit for the splendid job of constructing the float from Mattapoisett to enter in the Acushnet Centennial Parade goes to an energetic group of Mattapoisett residents, and high praise for the end result goes to Mrs. Robert Seeley, chairman, and her husband, Bob, the following public spirited co-workers and assistants: Mr. and Mrs. Clifford Tripp, Jr., Mr. and Mrs. Preston Sawyer, Mr. and Mrs. Robert Mathieson, Mr. and Mrs. Anthony Pelson, Mr. and Mrs. Anthony Roderick, Herbert Arral and Miss Patricia Tripp. Also assisting were Manuel Linhares and his crew, Frank Linhares, Donald Linhares and Manuel Morgado. P & B donated a low bed trailer, and the driver was Antone Borges.

On the float, which was a representation in detail of Ned's Point Light, were Donna Seeley, Pamela Seeley, Beverly Sylvia, Dana Tripp and Nancy Sackman.

Also taking part in the parade was the color guard of the American Legion Florence Eastman Post, Mattapoisett, comprised of George Monteiro, commander; John Raphael, adjutant; Francis Nunes, Manuel Nunes, Matthew Costa, Robert Raphael and Joseph Marcellino.

will feature a large collection of old fashioned quilt patterns, and a free contest will be held with suitable prizes for those who can name ten of them. The Children's Corner will offer hand knit sweaters and sets; also clothing and stuffed toys, with Mmes. Helen Doane and Marjorie Seabury in charge. Other tables and chairmen are: Winifred Hartley and Gladys Mello, home cooked foods; Mrs. Ruth Davoll, plants and flowers; Mary S. Hartley and Althea Lawrence, aprons and fancy work; Alice Reed, kitchenware; Alice Hartley and Eunice Jenkins, candy; Joyce Maccarone, white elephants and Martha Fearing, grabs.

A chicken salad supper will be served from 5:30 to 7 P.M. by Mrs. Olive Winslow, assisted by Mmes. Palmyra Daggett, Edna Chadwick and Sigred Johnson, with Mrs. Dorothy MacGregor in charge of the dining room. Tickets may be reserved with Mrs. Winslow or Mrs. Doane, president of the Guild.

CRESCENT BEACH IMPROVEMENT ASSOCIATION NEWS

The annual games and races were held at the beach on July 4th. The weatherman cooperated beautifully, and a hilarious time was had by all. Prizes were awarded to the winners and refreshments were served. Thanks are due to the men who gave their time to see that everything functioned smoothly.

An item of misfortune. Two days after the float was put out, lo, it came in again! A chain broke, the anchor was mislaid, and the wind pushed the float back to shore. The anchor was found and hauled ashore by some of the bigger boys and it was placed atop the beached raft. To our consternation, the anchor was stolen a few days later. This was a great loss, as the anchor was on loan, pend-

ing the acquisition of a new one. Any information regarding its whereabouts will be appreciated. Fortunately, the young people, headed by Chet and Skip Martin, were able to refloat the raft and it is now in place again. Thanks a lot boys.

The young people are already doing a good job putting up signs and so forth. Did you see the twenty mile an hour sign at the point? This was no hurry up job; they used rules and levels to see that it was nice and straight. Congratulations boys. The sign was a gift from Mr. Roderick.

The association hopes that all beachites will blossom forth in Crescent Beach T-shirts and sweat shirts. These are of very good quality and reasonably priced. These shirts, in addition to being good looking, serve three purposes. They raise funds. They keep Crescent Beach on the map, and they identify you as a bona-fide Crescent Beachite. Mrs. Burden is in charge of this project.

Fifty-four crescents have been sold thus far.

SUPPER AT CHURCH FAIR

At the Summer Fair on July 16th of the Marion Congregational Church, a supper will be served from 5 to 7 in the chapel under the direction of the Rev. George Robinson. The tickets, which are going fast, may be obtained by calling Mrs. Marion Severance, Marion 891, the Rev. Robinson, 568 or Mrs. Willis Hunt, 205. Miss Marion Ryder and Miss Hazel Hunt will be in charge of the dining room and the young people serving the dinner of Swedish meat balls with a tasty menu, including an angel cake raspberry dessert. After supper there will be a dance in the chapel.

PARENTS OF SON

Mr. and Mrs. John Mort of Church Street, Mattapoisett are the parents of their third child and first son, born Saturday, July 2nd at St. Luke's Hospital, New Bedford.

EXCERPTS -RULES & REGULATIONS PERTAINING TO SUBDIVISIONS TOWN OF MATTAPOISETT, MASS.

RULES AND REGULATIONS
Section I
General Requirements

A. In approving subdivisions, the Planning Board, hereinafter called the Board, will require that the land shall be suitable for building without danger to health, that the proposed ways shall be suitably located to accommodate the prospective traffic and to afford adequate light, air and access, including access of fire fighting equipment, to buildings and be coordinated so as to compose a convenient system considering the prospective character of the development, and may require such provision of street development and utilities as in its opinion will justify the subdivision.

B. Dead-end streets, streets of less than forty (40) feet in width, will be approved only under exceptional circumstances. If dead-end streets are essential to the development of the area, suitable turn-arounds must be provided.

Specifications For Construction of Ways

C. Each way appearing on the plan shall be constructed and completed, in the manner required by the specifications, for its full length and to a width suitable for travel of not less than twenty-six (26) feet (hereinafter referred to as the roadway). The land comprising the balance of the full width of the way shall be shaped and shall conform accurately to a cross section which shall be designated by the Board.

D. The entire area of the way shall be cleared of all stumps, roots, brush and perishable material and all trees not intended to be preserved. Trees intended to be preserved shall be protected from injury by suitable boxes or fenders.

E. All loam and other unsuitable material shall be removed from the limits of the way to such depth as shall be required by the Highway Surveyor.

F. All work in excavations or embankments shall be brought accurately to subgrade of not less than eight (8) inches for the roadway and four (4) inches for the sidewalks.

G. All filling material in roadway and sidewalks shall be made of clean sand, gravel, cinders, furnace slag, broken stone or other suitable material approved by the Highway Surveyor. No perishable material shall be used for the making of street embankments.

H. Above subgrade and to finished grade good binding gravel free from an injurious amount of clay or vegetable matter and satisfactory to the Highway Surveyor shall be used except along the edges of the sidewalks where loam shall be placed. Both the roadway and sidewalks shall be thoroughly rolled in a manner satisfactory to the Highway Surveyor.

I. Catch basins shall be built in such locations as the Highway Surveyor shall indicate and shall be of the forms, materials and dimensions approved by the Highway Surveyor. Wherever necessary in the opinion of the Highway Surveyor catch basins may be required to be connected to permanent drainage outlets by suitable drains, or as modified by the Board.

J. All corners of intersecting streets shall be rounded in a manner satisfactory to the Highway Surveyor. Granite bounds or other permanent marks shall be set at such angles and curves as the Highway Surveyor shall direct.

AUCTION TO BE HELD AT WHARF

The Mattapoisett Lions Club are planning an auction for Saturday, July 23rd, at the Mattapoisett wharf which will run from 1 P.M. to 8 P.M. A collection of items are being made at this time, and all donations will be gratefully received. Proceeds from the sale of the auctioned items will be used by the Lions Club to build a tennis court at the Center School grounds for the use of the children of the town. Anyone who would like to help in this most worthwhile project, and who has something to donate to be sold at auction, please call Ray Pound, SK 8-2152 or Eddie Sylvia, SK 8-6600, or any Lion's Club member. The same day as the auction a real home cooked bean supper will be served at the wharf. Plan to attend the auction and enjoy the supper.

Anyone wishing to donate money to help complete this new recreation area for the children can do so by contacting any Lions Club member. We sincerely hope that the auction, the supper and the contributions will find enthusiastic support in the town. Knowing how well the townspeople supported other worthwhile projects, such as the ambulance, which was purchased through donations by the town citizens, we are confident that this latest public service project will enjoy the same reception and success.

department? It is a very human failing to let so many opportunities to show appreciation go unsaid. The fact that one of our advertisers has established a plan to go out of its way to say a good word to deserving people, we feel is unusual enough to be deserving of the highest praise. The Hathaway Oil Company, Inc. of New Bedford is sending out cards saluting people in the community who have performed a worthy service, a kindness or achievement. There is no warmer reward than to be told that you have done a good job that is appreciated. We salute the people at Hathaway Oil for an idea so simple, so good and so rare.

PROMOTION EXERCISES HELD AT ROCHESTER SCHOOL

Twnety-nine graduates from Grade 8 at Rochester Memorial School received their diplomas before a capacity audience of proud parents, relatives and guests. Presenting the diplomas was Mrs. Frederick B. Underhill, a member of the Rochester School Committee. Guest speaker was Thomas F. Grady, Jr., director of guidance at public schools at Randolph.

Mr. Grady chose for his topic "The Uncommon Man". The guest speaker said the title was

an odd one but history was made up of uncommon people. Many people and youngsters feel they must be the same and not act independently. Mr. Grady noted the ladder of success is not climbed with a person's hands in his pocket.

Turning to the graduating class, Mr. Grady stressed the need to work, study and the best efforts of the pupils are concrete steps to a happy future. The guest speaker noted the best friends of a pupil are his teacher, church, home and parents, not the gang.

In conclusion Mr. Grady said it was the five percent in this country that were patriotic, and our country had reached the dimensions it has. Take out the five percent and the 95 percent can be taken over by any group, said Mr. Grady, and gave illustrations to prove his point. He told the graduates not to be afraid to change their minds 100 times and to have backbone, not wishbone.

Theme of this year's graduation was frontiers, past, present and future. Graduates presented a pretty picture marching down the center aisle of the school auditorium with the girls dressed in bouffant white and pastel shade dresses, and the boys in dark suits. The girls wore carnation wrist corsages and the boys sported red carnations in their lapels. Graduates in their processional march were led by Esther-Ann Chamberlain and Barry Coggeshall.

The invocation was presented by Mrs. George A. Hill, Jr., minister at the First Congregational Church, Rochester Center.

"The Lord's Prayer" was sung by Janice

K. Lawrence, and she presented the song in a most reverent manner.

The introduction was presented by Esther-Ann Chamberlain, who said from earliest time man always looked forward, never backward. Man has conquered many frontiers such as education, medicine, science, boundaries and every area of human endeavor, concluded Miss Chamberlain.

Ruth N. Pare spoke on early frontiers mentioning the early explorers and hardships they endured to discover new lands. Miss Pare noted mountains were climbed, rivers crossed with man always going forward to discover new frontiers for America.

M. Doris Hartley's talk dealt with present frontiers and she mentioned the satellites we have sent into orbit and despite many failures the challenge to be successful is there. Scientists have gone forward and met success with the launching of many satellites.

Continuing the theme of present frontiers was Allan W. Humphrey who spoke on social environment, educational strides for youth of America and concern for the health of our people.

"Your Land and My Land" by Romberg and Donnelly was sung by the graduates. Also,

new frontiers", said Miss Howes. Daniel L. Hebert, in giving the summary, noted man had conquered, is conquering and will continue to conquer, going on to new fields and endeavors.

All graduates presented their talks with poise, confidence, and were a credit to their teacher, Mrs. Barbara Lynch, who was in charge of rehearsals and general supervision.

Mrs. Underhill said it was a privilege and honor to be able to present the diplomas. She mentioned the receiving of a diploma indicated a "job well done", and asked the graduates at this time to "think of your parents", who through their love and devotion made this memorable occasion possible. Mrs. Underhill concluded her brief remarks with a poem and extended her congratulations to all the

"No Man Is An Island" by Whitney and Cramer.

Donna L. Howes spoke of future frontiers and said unlike the old, the new are non-tangible. "Man will always find and conquer

graduates wishing them continued success.

The Sippican School orchestra from Marion, who were present for the occasion through the courtesy of Miss Etta-Hix Allen, principal at the Marion school, presented "Overture Moderne" by Herfurth and "Processional" by Mendelssohn. Benediction was given by Mrs. Hill, and the concluding number sung by the graduates was "Day By Day" by Biggs.

The program concluded with the recessional led by Miss Chamberlain and Coggeshall. All

pupils reassembled on the stage giving parents and friends the opportunity to take pictures.

Mrs. Richard Blasdale, director of music education at Rochester, was in charge of directing numbers presented by the graduates, and also conducted the orchestra. Mrs. Fred E. Tibbetts of Marion was accompanist on the piano. Decorations on the stage were under the direction of Mrs. Thomas Oldfield, art supervisor at the Rochester school.

Graduates included Antone Maurice Andrade, Ronald E. Carreau, Esther-Ann Chamberlain, Joseph H. Clapp, Barry L. Coggeshall, Walter V. Denham, Jr., Charles C. Gifford, Jr., Richard A. Gould, Doris Hartley, Daniel Lawrence Hebert, Donna Lee Howes, Allan Humphrey, Brian Neil LaPointe, Janice Kay Lawrence, Shelby McConnell, Edmond Emile Morin, Jr., Nita Norton, Ruth N.
